A Bad Conditions

We have before called attention to a great calamity threatening the peo ple of the South. There is ground for this fear. In no section of the country is there greater need for Liver Medicines than in the South and this has encouraged unscrupu lous persons to take advantage of people's misery and offer them all sorts of stuff as a cure all for Liver troubles. Their crime is greater be cause they must have accomplices to help them in their nefarious work. help them in their nefarious work. the Deuton Grocery Co., of Roan-Their preparations are sold to the oke, is in town. draggists at a low price, And the big profit to the druggist is the road by which they reach the public .-Druggists of high honor will not be a party to such an outrage. These preparations are not the same, nor as good. Stick to the Old Friend. Your health and life should be worth something to you.
